Would you like more CLC events in Scotland?

Do you have a preference on where these events are held?

What topics are important to you at these events? What would you like to see more of?

EDI

Some more on AI

AIEDI

Training delivery

Case studies good

EDI

Case studies

Case studies

9

What topics are important to you at these events? What would you like to see more of?

Getting the best from your LMS AI Learning and Performance

Post Training Evaluation

Maybe some our regulators

I am very interested in hearing about a variety of topics that are emerging/prevalent in L&D e.g. AI, menopause etc

Simulations and augmented

Digital well-being
